The Ginza is a city where you can enjoy delicious cuisines and feel comfortable, with many worldwide cuisines. You can experience the freshest plentiful food ingredients of Japan deliciously which play a part of letting you know it is safe too. Japanese traditional cuisines such as Sushi, Tempura for starters, Western cuisines and Chinese and all genres of cuisines are all part of the city, which makes the quality balance of food ingredients be swayed.

The JRO (Organization to Promote Japanese Restaurants Abroad)and the Ginza Food and Beverage Union have joined together to organize an event to have people understand the fascination of the food of Japan, the event is titled, Invitation for Marvelous Food town in Ginza Please come visit us!
